FEDERAL BUREAU OF INVESTIGATION

Date of entry 06/24/2020

[redacted] was interviewed via telephone [redacted] After being advised of the identity of the interviewing Agent and the nature of the interview, [redacted] provided the following information: b6 -2 b7C -2

Lynne King Smith's campaign signs had been vandalized with stickers since announcing her campaign. [redacted] provided photographs of the stickers on the signs, included in the 1A. The stickers were red, white, and blue, resembling a flag, and with a QR code in the top left corner. The QR code led to the Patriot Front website, patriotfront.us.

The campaign signs in [redacted] were regularly vandalized in this way. [redacted] support her campaign, and many have signs in their yards. The signs are vandalized, and [redacted] repair them, and the signs are vandalized again. Smith lives in [redacted] it's not a gated community, but [redacted] described it as a "close-knit" community. b6 -2,3 b7C -2,3

[redacted] expected that the Patriot Front was particularly singling out Smith's campaign for harassment because Smith is a Democrat woman running against two Republican men, and Smith is an outspoken ally of LGBTQ and BLM issues. b6 -2 b7C -2

[redacted] said that the Gilbert Police Department was aware of the vandalism and had assigned a detective and was pursuing the investigation. [redacted] said that neighborhood Ring doorbell video may have captured the person placing the stickers on campaign signs.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

Narrative:

On 8/12/2019 Vermont State Police received an on-line tip that approximately 10 "Patriot Front" posters and stickers had been placed on poles and signs along Rte 15 in Jericho. The writer advised he [redacted] noticed the posters on Saturday 8/10 and removed them that night. He advised they were found along the west edge of Rte 15, between the town hall and Chittenden Mills Park.

On 8/12/19 I requested Trooper [redacted] check the area for additional signs and posters. None were located. b6 -3,6 b7C -3,6

According to the Southern Poverty Law Center "Patriot Front is a white nationalist hate group that broke off from Vanguard America in the aftermath of the deadly "Unite the Right" rally in Charlottesville, Virginia, of August 12, 2017."

On 8/13/2019 I spoke with the writer, [redacted] He provided me with photo's of the posters. [redacted] advised [redacted] and has not seen anyone distributing similar material or representing this or similar organizations. [redacted] mentioned a pair of churches in the immediate area. At the time of this report, it is unknown if the churches were a potential target of this propaganda. b6 -2 b7C -2

On 8/13/19 the VT Attorney General's Office and Chittenden County State's Attorney's Office were notified of this incident by email. The incident was described as biased but protected speech.

On 8/14/19 Tpr. [redacted] met with staff at the churches and town hall to inquire about suspicious activity and advise them of the posters. Tpr. [redacted] advised nothing suspicious had been observed. b6 -6 b7C -6

On 8/14/19 I sent an office wide email to members of VSP Williston, advising them of this call and requesting they look for similar signage when in the area. I also forwarded this information to a member of the Chittenden County Sheriff's Dept., who has a contract with the town of Jericho.

Subsequent checks of the area have not found additional posters.

This incident is considered bias, anti-multi race and religion. There is however no evidence of a crime.

Narrative

On the above date and time, Ofc [redacted] and I were dispatched to the Davis Center on the main campus of UVM, for a report of an offensive poster on the back of a pedestrian sign on the east side of the Davis Center. The caller described the poster as saying something to the affect of "keep America white."

Upon arrival to the Davis Center, Ofc [redacted] and I observed two students, later identified as [redacted] and [redacted] removing the poster from the sign. Ofc [redacted] and I instructed [redacted] and [redacted] to stop removing the poster because we wanted to attempt dusting for fingerprints. I explained to [redacted] and [redacted] to not remove posters in the future, prior to the police arriving [redacted] and [redacted] were apologetic and said they took a picture of the poster before they scratched it off. (see attached photo)

b6 -2,6
b7C -2,6

The poster's original message was:

Keep America American
Report any and all illegal aliens
They are criminals
Call: 1-(number crossed out completely with pen)
Patriotfront.us

According to the Anti Defamation League, Patriot Front is a white supremacist group. BPD has an ongoing case related to the same posters being placed at different locations, refer to case 19BU002578.

Ofc. [redacted] and I, did not attempt to dust for fingerprints because the poster was mostly removed by the time we arrived. (see attached photo) Ofc. [redacted] and I did not observe any additional posters in the immediate vicinity.

b6 -6
b7C -6

At approximately 1456 hours, Ofc [redacted] informed us she found an additional poster on the north side of the electrical box at the intersection of Univ. Heights and Main St. Upon arrival, Ofc. [redacted] and I observed a poster with the message: better dead than red, and a web address for Patriotfront.us.

Ofc [redacted] attempted to dust the poster for fingerprints. No viable fingerprints were able to be lifted from the poster. Unlike the first poster we encountered, this poster was intact and had not been written on or attempted to be removed by any passersby, suggesting it had not been there very long. Ofc. [redacted] and I, attempted to carefully remove the poster for evidence, but were unable to.

SOS was notified of the locations of the posters to remove the paper residue.

No further action taken.
End of report.

Narrative

On the above date and time I responded to the vicinity of the Howe Library to address a sticker placed on a light pole for Patriot Front, an established white nationalist hate group. I located the sticker on a light pole facing University Place Extension and removed it with my pocket knife. The sticker stated 'Money does not rule you' and depicted two hands shackled together by a dollar sign. The sticker also included a link to the Patriot Front website.

I checked other light poles and signs in the area and did not locate any other stickers.

Title: (U/~~FOUO~~) To Document Patriot Front Presence within the Denver Area of Responsibilty

Re: [redacted] 08/31/2018 b7E -1

[redacted] b7E -4

(U/~~FOUO~~) Patriot Front, whom have participated in a number of violent protests, were reported to have split off from the neo-Nazi group Vanguard America after participating in the deadly "Unite the Right" rally in Charlottesville, NC in 2017. [redacted]

[redacted] b7E -4

Patriot Front closely resembles other WRME groups, specifically the Atomwaffen Division, with their use of recruitment propaganda and rhetoric to spread their message/agenda. These known WRME tactics have the potential to lead to violent altercations with groups associated with left-winged viewpoints.

Synopsis: (U) To document information regarding Patriot Front flyers found at Kentucky Refugee Ministries

Administrative Notes: (U/~~FOUO~~) The group named in this document has been identified as participating in activities that are protected by the First Amendment to the U.S. Constitution. Their inclusion here is not intended to associate the protected activity with criminality or a threat to national security, or to infer that such protected activity itself violates federal law. However, based on known intelligence and /or specific, historical observations, it is possible the protected activity could invite a violent reaction towards the group, or the activity could be used as a means to target law enforcement. In the event no violent reaction occurs, FBI policy and federal law dictates that no further record be made of the protected activity.

(U/~~FOUO~~) Potential criminality exhibited by certain members of a group (s) referenced herein does not negate nor is it a comment on the constitutional rights of the group itself or its members to exercise their rights under the First Amendment to the U.S. Constitution. The FBI does not investigate, collect, or maintain information on U.S. persons solely for the purpose of monitoring activities protected by the First Amendment.

Details:

(U/~~FOUO~~) On 04/03/2018, FBI LS received information that Patriot Front flyers had been posted on the front doors of Kentucky Refugee Ministries (KRM), a refugee resettlement agency located at 969-B Cherokee Rd., Louisville, KY. A photo of these flyers has been attached to this EC as a 1A Package. [redacted] b6 -2 b7C -2 noted that as of 04/03/2018, [redacted]

(U) [redacted] b6 -4 b7C -4 b7E -4

[redacted] Patriot Front has been described by the Southern Poverty Law Center as a "blend of traditional white-supremacist ideology, alt-right sensibilities and activism, and militia-style armed insurrection."

(U) According to the Anti-Defamation League (ADL), Patriot Front is active online and on social media, and their "most frequent form of activism" has been distribution of "racist and anti-Semitic propaganda on college campuses and in various communities." [redacted] b7E -4

[redacted] ADL indicates that Patriot Front members have also participated in "localized flash mob demonstrations" in Texas, and hold "private meet-ups, which routinely involve a physical fitness element like sparring or hiking."

IR2021-000183	Spray paint in Carpe Diem Gazebo

Narrative text

On 6/9/2021 approximately 1220 hrs, I, [redacted] responded to the Carpe Diem Gazebo between Hill Hall and McDaniel Hall for a report of spray paint vandalism. b6 -2,6 b7C -2,6

McDaniel [redacted] and [redacted] were in the gazebo [redacted] said she saw the spray paint on 6/8/2021 approximately 2000 hrs but had not realized at the time that it needed to be reported. [redacted] and [redacted] said they did not see the spray paint there approximately 1830 hrs when they walked past at the end of McDaniel Local events. However, they walked on the sidewalk below the gazebo and might not have noticed it even if it was there.

The spray paint had a blue section on top which had symbols, including a marijuana leave and a needle, and read "Reject Poison" and a red section on the bottom which read "Patriot Front . Us".

A Grounds employee said the spray paint was not there when he was in the area approximately 2300 hrs yesterday. He

Hey [redacted]
FYI-
Attached are photos of four males that belong to the Patriot Front, a white nationalist organization. They were posting their stickers around on the campus of the College of Wooster on January 4, 2020. [redacted] They actually had a previous incident from the same group back in October. Not sure if you guys have run across them in CV. Security has not been able to identify them, and are unsure if they are students. Thanks!

Good Morning [redacted]

It was good talking to you on Monday.
We found the suspects (there were 4) on our camera system. It appears they were on campus for about 40 minutes on Jan 4.
Here are some photos. I don't recognize any of them. We could not locate any vehicles; we think they were parked in a lot that didn't have any cameras.
We are still looking at video but right now, these are the best photos we have.
Thanks for your help.

Re: [redacted] 06/19/2019

06/18/2019 to discuss the matter further.

On 6/12/2019, at approximately 2355 hours, a student brought a sticker, measuring approximately four inches by five inches, to the Missouri S&T Police Department (MPD). The sticker was found on an exterior door at McNutt Hall, and it read "Life Liberty and the pursuit of Victory PATRIOTFRONT.us. MPD checked the Patriot Front twitter page, which stated #PatriotFront activists placed posters around St. Louis, Missouri. There is a photo dated 5/21/2019. The photo is of Toomey Hall which is located on S&T Campus.

Below is a summary of what was captured on MS&T cameras on 5/18/2019. Law enforcement are assuming the sticker found had been present since that date.
